报告日期:

Figure 1 is a 3D plot showing the relationship between the number of species (S) and the number of individuals (N) for 1000 random samples. The plot shows a positive correlation between S and N , with a shaded region indicating the confidence interval. The axes are labeled S (Number of species) and N (Number of individuals). The plot is titled "Figure 1: A 3D plot showing the relationship between the number of species (S) and the number of individuals (N) for 1000 random samples. The plot shows a positive correlation between S and N , with a shaded region indicating the confidence interval. The axes are labeled S (Number of species) and N (Number of individuals)."
