英文名: 羅亞利 英文名: ROYAL 廠牌: 蕭亞軒 廠一號表

[illegible]The image is a heavily corrupted scan of a document page. It features a dense, chaotic pattern of black and white pixels, with large, irregular black blotches and streaks obscuring any original content. Faint, illegible traces of text and structural elements like lines and tables are visible beneath the noise. The overall appearance is that of a severely damaged or glitched digital file.
